RE: Sindh Development Organisation Shikarpur Pakistan Registration Number 591

We write in respect of the above named organisation.

We are a registered charity organisation based in the UK working towards assisting the poor and needy in Pakistan.

We have worked with the Sindh Development Organisation since 2013 in delivering projects in the Sindh region of Pakistan. Such projects have included the installation of water pumps, the building of tube wells, other water projects, the provision of food packages to the poor and in particular during the month of Ramadan and on the occasion of Eid and other assistance to the poor and needy including assisting in building shelters and accommodation.

Our chairman has had the opportunity to monitor the projects on his visits to the region to ensure that the projects are carried out successfully and in accordance with our instructions.

We are content with delivery of the projects by the Sindh Development Organisation.

Should you require any further information please do not hesitate to contact us.

Yours Faithfully,

Lal Hussain (Chairman)
